Anti-Bullying Strategy

Bullying is defined as a campaign of action intended to intimidate, taunt or humiliate an individual or group; or a campaign that results in the individual being intimidated, taunted or humiliated.

- All members of the school community have the right to learn and work free from intimidation and fear.
- All bullying the school is made aware of will be investigated thoroughly and action taken.
- The action taken will be decided by the school in consultation with those affected and parents/carers of the affected including victims and, where appropriate, with the bully/bullies and parents/carers of the bully/bullies.
- Parents/carers of all those directly involved will be informed or consulted by the school
- The Anti-Bullying strategy is part of the work by the school to stop bullying and will be supported by work in citizenship/PSHE.
- Any member of the staff of the school who suspects or witnesses bullying will inform the tutor or relevant Head of Year at the first opportunity. The member of staff should also email a record of their concern on the day of the incident.
- Any incident of bullying reported to a member of the staff will be referred by that member of staff to the Assistant Principal at the first opportunity.
- If the incident involves a breach of the equalities policy (e.g. issues of a racist nature, homophobia or of a sexist nature) it should be brought to the attention of the Assistant Principal.
- Any action taken by the school will be consistent with the school's behavior policy.

Bullying can take place anywhere. Because bullying is complex and is often carried out subtly, it may take place in our classrooms.

Response to incidents of bullying
