Why do we push students as hard as we do?

- *We want the best for them, the way we achieve this is through quality teaching.*
- *There is a strong correlation between school outcomes, life satisfaction and long term earnings.*
- *Grade boundaries are based on how students perform nationally. This means its a competition.*

What we need students to do.

- *Attend all period 6s*
- *Make the most of your period 0 and 5.1*
- *Complete all homework.*
- *Avoid missing lessons due to behaviour.*
- *Attend school on time everyday*

- *It is part of the normal curriculum and sequence of lessons.*
- *Should be treated like being in school at any other time. If students need to miss it due to appointments we need advanced notice and proof of appointment.*
- *If a student is unwell Mr Ogden, myself or a member of SLT will act as the MI room.*
- *Detentions for year 11 are completed after period 6. Any students sent to OSP are sent directly home and will complete the OSP the following day.*
- *Period 6 is the biggest edge we can give our students, allowing them 20% more contact time with their teachers.*
