Overview

At Holmleigh Park in year 9 we have a great opportunity to link in with GROWS. Grows brings together the widening participation of UOG, Hartpury, RAU, Cirencester/SGS and Gloucestershire College. This opens up the students understanding of what their steps might be post 16. Year 9 will be selecting their GCSE options this year and we want to give them as much understanding of the path ways available to them.

Each year our first lesson is based around STOICISM. We revisit this on a regular basis as it underpins Holmleigh Park's Values.

As students master these we'll have the best chance of living happy and successful lives.

At the end of each lessons there is a reflection task for students to complete based around, Work Hard, Be Kind, Take Responsibility our school values.

Running through our careers programme are the British values. Democracy, Rule of Law, Tolerance of different Cultures & Religions, Mutual Respect, Individual Respect

Careermag, is a great resource for parents.
