Overview

At Holmleigh Park careers in year 8 is building on year 7. Students still careers lessons once a fortnight. We look deeper into some topics as well as at their learning styles and character traits. This is to help them start to model the skills and competencies that will be required in the World of Work.

Each year our first lesson is based around STOICISM. We revisit this on a regular basis as it underpins Holmleigh Park's Values.

As students master these we'll have the best chance of living happy and successful lives.

At the end of each lessons there is a reflection task for students to complete based around, Work Hard, Be Kind, Take Responsibility our school values.

Running through our careers programme are the British values. Democracy, Rule of Law, Tolerance of different Cultures & Religions, Mutual Respect, Individual Respect.
